YOYO LAPTOP TABLE

The yoyo laptop table is the perfect soft seating companion and comes in 2 designs – round and rectangular – and is height adjustable between 47/67 cm.

The height adjustment is intuitive: the gas spring operated column locks in the lowest position and moves up to the highest position by simply pushing the top downwards in the lowest position.

STEEL LAPTOP TABLE

The steel laptop table is entirely made out of powder coated metal, including the 3mm top with its convenient handle. It comes in a 67cm fixed height.

The monochrome appearance as well as the two design options assure a right match with our sofa ranges.
